On June 13, the office of the Open Society Georgia will host the presentation of the manual drawn up by the Georgian Association of Regional Broadcasters (GARB), as well as the Association's website and ongoing projects.

The manual titled New Media for Old Media is made up of theoretical part and hands-on (video) lessons.

The manual worked out by the team employed at the GARB Tbilisi office is targeted at Georgian regional TV companies but the manual can be of help to other media workers as well as beginner reporters and students.

The manual was designed within the framework of the joint Media Support Program implemented by WAN-IFRA, IREX Europe, Georgian Regional Media Association (GRMA) and Civic Development Institute.
